SUBJECT: CHANGE IN PLAN SPONSOR

Greetings Rocky Flats Welfare Benefits Plan Participants!

On August 17, 2020, the U.S. Department of Energy (DOE) began the transition of work scope from Washington River Protection Solutions, LLC (WRPS) to Hanford Mission Integration Solutions, LLC (HMIS) under the Hanford Mission Essential Services Contract (HMESC) in Richland, WA. Included in the work scope transition was the Rocky Flats Welfare Benefits Plan and the Rocky Flats Board of Trustees.

The HMIS team is pleased to introduce our company to you. HMIS is a joint venture team comprised of Leidos, Centerra Group, and Parsons. Effective **January 25, 2021**, the HMIS team assumed the sponsorship and administration of the Rocky Flats Welfare Benefits Plan that you are currently receiving a benefit from.

HMIS recognizes that change can bring uncertainty and questions. HMIS has worked very closely with the WRPS team to ensure a smooth transition of benefits for Rocky Flats participants.

It is important to note that all of the Rocky Flats benefit plans, including your coverage providers, **were not** impacted by this change in plan sponsorship. The process for obtaining medical and prescription drug care and reimbursements under the Retiree Reimbursement Account (for those over age 65) are the same and the third-party resources are still available to assist you. Enclosed is an updated Summary Plan Description with detailed information regarding your Rocky Flats benefits plan.

HMIS is proud to be the successor contractor for the sponsorship and administration of the Rocky Flats Welfare Benefits Plan. Thank you for your service to the Rocky Flats site. We look forward to supporting your health and welfare benefits.

Sincerely,

Todd A. Beyers, Vice-President
HMIS Workforce Solutions and
Chairperson, Rocky Flats Board of Trustees
